Summary

I am a 3rd-year Computer Science student passionate about Data Science and Artificial Intelligence. I have a strong interest in AI/ML and enjoy exploring new technologies and their real-world applications.

Currently, I am focused on building a solid foundation in data-driven technologies, improving my problem-solving skills, and preparing for GATE DA 2027.

I am always eager to learn, grow, and connect with like-minded individuals in the tech and data science community. Feel free to connect with me!
